

MESH

Thank you to both our school communities, for the response we have had to our call for recipes to be included in MESH, our combined cook book. We received such a large number of quality recipes that our job has been daunting. With over 260 recipes to choose from it has been impossible to include every one, however we are thrilled with the content of the book.

All recipes were assigned a number and the names of the submitters were removed. The recipes have been evaluated and prepared and many different factors taken into account throughout the selection process. We could not have achieved such an exciting outcome without your input and the considerable time and efforts from both the culinary team and the design team – thank you!

The recipes that appear in the book may have had slight alterations or adjustments made, to fit the overall essence and concept of the book and we are grateful to everyone for releasing their favourites to us.

If you have any concerns about either an adjustment being made to your recipe or the use of your recipe/s in further publications, or the name to be published alongside the recipe, please contact Suzy Tutton – tutton@xtra.co.nz or 355 5446, before 1 March 2010.

Because of the sheer number of recipes submitted we will not be contacting each individual to advise whether a recipe is to be included for publication, so thank you once again.

We look forward to sharing MESH with you.
